

# Mustangs Baseball.....

## Fall 2023-24

18 Church Street  
Putnam, Connecticut 06260

The Baseball program at PSA is a year-round elite development program that will develop student athletes both physically and mentally to prepare them for the collegiate level. We will begin with a fall Development Program geared toward exposure.

CT Baseball Academy is where the Mustangs will train indoors. CBA's Rapsodo and HitTRAX equipment will focus on the analytical improvements for each players skill set.

The Elite Development Program for PSA Baseball will prepare our student-athletes for the classroom and athletic field.

Putnam Science Academy is so excited to be able to offer the extensive Development, College Guidance, and Competition that will be unmatched in our New England Schedule. PSA will offer the largest spring season with approximately 28 games along with a college showcase day with Prep Baseball Report.
